

Hand2Hand Change for Hope Fundraiser TOOLKIT

Hand2Hand exists because a hungry child hurts and the weekend is one of the most vulnerable times for a child who experiences food insecurity.

Hand2Hand delivers nutritious food to students over the weekends and extended school breaks by mobilizing churches, schools, individuals, and businesses to join together, providing hope and opportunity to thrive.

Hand2Hand began feeding 19 students in 2008, and this year we are feeding more than 10,000 students, ages 3-18, in 8 counties across West Michigan.

Our goal this school year is to feed an additional 2,000 students!
