Summer Food Sponsorships

Summer 2025

Join us in fighting hunger for kids this summer!

While summer is a time of joy for many children, for those facing food insecurity, it can mean months without access to consistent meals. Hand2Hand is committed to bridging this gap by providing kids with backpacks filled with nutritious food throughout the summer months. With your support, we can continue delivering hope this summer!

How you can help

By becoming a sponsor, you help ensure that kids in our community receive the nourishment they need to thrive. Sponsors will receive name recognition at the food distribution sites, on the Hand2Hand website, and social media. Sponsorship opportunities include:

<p>Produce Provider: \$1,000 Supplies kids with fresh summer produce to support a healthy future.</p>	<p>Summer Pack Supporter: \$3,000 Covers the cost of 600 backpacks filled with nutritious foods for kids in need.</p>	<p>School Champion: \$5,000 Supports an entire school or community site, providing food-filled backpacks for children throughout the summer.</p>	<p>Feeding Futures Partner: \$10,000 Helps sustain our summer program, ensuring we can reach even more kids with backpacks of food and hope.</p>
