

Hand2Hand Food Collection

Help provide hope by collecting weekend food for West Michigan kids!

When school meals aren't available, thousands of kids go without enough food on weekends and during school breaks. You can make a difference by collecting food for Hand2Hand. Every item you donate helps fill a backpack with nutritious, kid-friendly weekend food. Each backpack is a reminder to a child and their family that they are seen, supported, and cared for by their community.
