

# Hand2Hand Snack Packs

Help provide hope by packing weekend food for West Michigan kids!

When school meals aren't available, thousands of kids go without enough food on weekends and during school breaks. **You can make a difference by packing food for Hand2Hand.** Every item you donate helps fill a backpack with nutritious, kid-friendly food for the weekend. Each backpack is a reminder to a child and their family that they are seen, loved, and supported by their community.

## Start Here!

### Before collecting the food items:

- Any brand or variety is welcome, so feel free to shop where it is convenient for you.
- Be sure to check the expiration dates! We can accept food with expiration dates that are at least six months out.
- Pack one of each item into a Ziploc bag, for a total of four different items per bag.
