hand2hand®
Delivering Hope and Weekend Food to West Michigan Kids!

Statement of Faith

We believe that there is one true God – Father, Son, and Holy Spirit.

We believe God is our creator and Jesus is our redeemer.

We believe the Holy Spirit empowers us to be the most important force for good in the world today. As we live into that, we bring glory to God by providing hope to children and families through weekend food, our prayers, and our actions.

We believe love and compassion are the hallmarks of a Christ follower.

We believe a hungry child hurts and God cares deeply about that. We believe that every time we hear about a hungry child, that is God's invitation for us to join him in bringing hope.

We are driven by our beliefs and we invite all, regardless of their faith tradition or beliefs, to join us in the important work set before us to eliminate child weekend hunger.
